This Coast Guard Auxiliary course, "**About Boating Safely**", is a one-day course taught by Flotilla members qualified in the Coast Guard Auxiliary Boat Operations Program who have years of safe boating education and experience. For more information about any of these class schedules or phone registration, contact **Carroll Barrack, 804-443-0541**, or **Joe Riley, 804-472-4521**.

**To register on-line, go to – www.Flotilla3-10.org,
 or www.register-ed.com/programs/73**

These or similar classes must be completed by anyone, of any age, operating a motor boat with a 10 or more horsepower engine in Virginia waters after July 1, 2016. These classes have been required of all personal water craft (jet- ski) operators since July 1, 2012 no matter their age (except no one under age 14 can operate a jet ski even if they had passed a boating safety class). In every instance the vessel operator must carry and show proof of class completion; this can be the course completion card issued by the Coast Guard Auxiliary or the Department of Game and Inland Fisheries shown here,
